	RTDs, Thermocouples, Thermowells, Temperature Transmitters: Manufacturer of standard and customized temperature sensors and accessories. SwiftyCalc and SwiftySensor www.jms-se.com
	Pressure Transmitters: Vacuum to 120K psi; OEM; Industrial; ATEX, CSA, FM Hazardous area/Explosion proof www.wika.com
	Float Switches: Single-Point Switches; Multi-Point Switches; Continuous Level Sensors; Tilt Float Switches; Drum Level Indicators; Conductivity Sensors; Optical Sensors www.madisonco.com
	Liquid Analysis Instruments: pH; Conductivity; Resistivity; ORP; Redox; Dissolved Oxygen (DO) optical & amperometric; Turbidity; Free & Total Chlorine; Ion Selective Electrodes (pION) www.ecdi.com
	Gas Detection: Wired and Wireless designs; Sensor Assemblies; Monitors; Alarms; Data-Loggers H2S, NH3, Cl2, HCl, O2, SO2, H2, HF, etc. www.otisinstruments.com
	Power Filters and Surge Protective Devices: "Grid to Chip"; Service Entrance to Data Circuit protection www.asco.com
	Sensors: Linear and rotary positions sensors. Sensors built to specifications www.alliancesensors.com
	Industrial Ethernet Solutions: Ethernet Switches, Media Converters, Managed and Unmanaged PoE; Wireless Access Points for industrial applications http://www.henrich-inc.com
	Inclinometers: Single and Dual axes; Analog and Digital signals; Angular Measurement System www.clinelabs.com
	Remote Management: Remote signal and information retrieval, Onboard PLC, SCADA, Solar powered, RF & Cellular signal transmission, Customizable to client's specifications www.ctekproducts.com
	Downhole Pressure Transmitters: Custom pressure measurement solutions for OEM and system integration www.esi-tec.com
